

FROM THE EAST

Dear Brethren, Family, Members and Prospective Members

It has been a very difficult year for everybody, our families, our communities, our Country, the World, and our Masonic Family. This worldwide pandemic situation has also brought many of us to think about ourselves, about all human beings around the World, regardless of their Faith, skin color, or nationality. How is life going to be after all this ends? Probably many think, are we going to take care with more love of our only home, the Earth? Remember, there is no Planet B. Now, we all have to get used to the new normal life.

I don't want to say that 2020 was a lost year in many instances. It has also brought a lot of learning, reflection and finding ourselves. With this situation in mind, we need to adapt our agenda based in what we may be allowed to do. Maybe we can gather, maybe we can't. Please be aware that for 2021, there might be changes and/or cancellations to our agenda. We will continue to promote Masonic education throughout the year for the benefit of all.

Once again, I call all our Brethren to talk to their neighbors, friends and family to make our lodge bigger!

Have a great and blessed 2021 along with your loved ones!

Yours,
Juan Carlos Millan, WM, PM

FROM THE SOUTH

Brethren,

Harmony is still looking for a good home for our dishes. As they have the square and compasses (but not #61), it should be within the Masonic family. If anyone knows a Lodge, E.S., or other in need of dishes, contact me.

Fraternally, Fred Dare, JW, PM

FROM THE SECRETARY

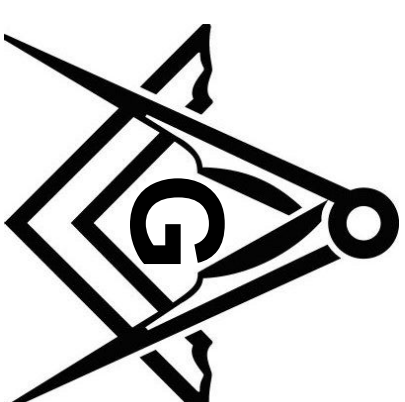

Dear Brethren,

At our 3028th Stated Communication, the Brothers present approved a motion for Harmony Lodge to pay the 2021 per capita and dues for all members. Those who have already paid will be credited for the following year.

Fraternally, Matt Dae McMichael, Secretary, PM
